Fun Tips

Here are some fun tips on delivering the weather:

- ✿ Let your Sproutlet's personality shine through. No need for advance practicing or coaching, as the goal is to have fun!
- ✿ Give your Sproutlet the chance to be creative - Let them use their own words and phrases to describe the weather.
- ✿ Before you arrive, let your Sproutlet know that he/she can deliver two weather reports at Barney's Sprouterrific Playdate. This will help manage his/her expectations and allow for a more enjoyable experience for you both.
